

Newels are the anchor of your stairway, whether it's at the bottom, top, or anywhere it changes direction. Our new collection of these foundational elements gives you more choices for renewing your spaces. Coordinating 1 $\frac{3}{4}$ " balusters are also available in 34", 38", and 42" lengths. They feature center-square carved details with 5", 11", and 14 $\frac{1}{2}$ " top blocks to accommodate virtually any stairway layout. Each newel and baluster in this collection comes in Red Oak, White Oak, and Hard Maple.
