

# STEEL SIDING

FOR PEACE OF MIND

# TREAT YOURSELF TO THE BEAUTY OF WOOD, THE DURABILITY OF STEEL AND THE FREEDOM FROM MAINTENANCE YOU DESERVE.

Improve your home's curb appeal with Klauer. We offer a complete line of steel siding and accessories, aluminum soffit, fascia and rain-carrying products, all made to withstand the elements of any climate. Klauer products are coated with a ceramic hybrid finish in a wide variety of color options. Our resilient finish is designed to stand up to intense UV rays that fade most other siding products within a short period of time.

The Klauer Classic™ Steel Siding and Accessories collection is available in 23 solid siding colors. To give you design flexibility, this beautiful color selection ranges from neutral colors, such as Northern Woods and Olive Branch, to vibrant colors like Sunset Red and Chocolate.

The Klauer Prestige™ Steel Siding and Accessories collection replicates nature in terms of color and texture. Its unique color palette consists of five two-tone shades that create the look of naturally stained Sienna in a maintenance-free product.

Take advantage of our newest paint finish – Klauer Elite™. Available in five attractive colors, it adds durability, richness and low-glare, true-color appearance – even on the brightest days and in the toughest elements.

Klauer Aluminum Soffit and Rain-Carrying Systems are available in 24 colors, allowing you to match or contrast your home's exterior, for envied curb appeal.

## THERE'S NOTHING BETTER

Klauer steel siding is made from the finest materials to ensure the most dependable siding available in the industry today. Our steel siding is more durable than vinyl, aluminum, wood or fiber cement. Klauer steel siding is tough because it's made of a heavy-gauge steel and is finished with a durable, long-lasting coating that resists cracking, peeling, flaking, blistering, chipping, fading and so much more.

	Klauer Steel	Vinyl	Fiber Cement	Wood
Fire Resistance	E	P	E	P
Chalk and Fade Resistance	E	A	A	P
Pre-Finished Color Range	E	P	A	P

## HOME PROTECTION

Klauer's world-class coatings are harder and more scratch- and stain-resistant than any other product, and are backed by the most comprehensive warranties in the industry. Our tough proprietary finish, enhanced with DuPont™ Teflon® Surface Protector, prevents stains from penetrating the surface of our products, keeping surfaces cleaner. Extensive laboratory testing has proven that Klauer premium coatings enhanced with the fluorochemical surface protector will without a doubt repel water, oils and other elemental factors, giving them an excellent lab-tested repellency rating.

Get better home performance with ENERGY STAR products and product enhancements. The most efficient way to achieve better energy performance results is through an integrated “whole-house” approach that looks at your house as a system, according to energystar.gov. This means every improvement made that reflects or qualifies as ENERGY STAR will make a difference while protecting the environment. Klauer premium collections are coated with an ENERGY STAR-compliant paint finish, making Klauer steel siding exteriors perform better than other siding products on the market. Our coatings also contain Cool Paint Technology.™ This advanced coating is designed for superior energy performance by using reflective pigments in the paint to help reduce energy consumption.

### WARRANTY TOUGH

To give you added peace of mind, we back our steel-siding collections with a “no-nonsense” Limited Lifetime Transferable Warranty. This unbeatable warranty includes a 35-year chalk-and-fade guarantee, along with a 50-year hail-protection warranty.

### WORRY FREE

Klauer Steel Siding and Accessories are virtually maintenance-free – just a quick rinse with your garden hose will keep your exterior siding looking beautiful and clean. You'll never have to paint or stain your home again.

### THE FINISHING TOUCH

Complete your color scheme with Klauer coordinating soffit, fascia and rain-carrying systems. Our line of home exterior accessories is color coordinated with all of our products and offers the most attractive and functional system on the market today. Matching or contrasting accents will add a unique finish to your home.

## SHAKE AND SHINGLE SIDING

### STEEL SHAKE ACCENT SIDING

Designed for accent applications, Klauer Steel Shake Siding is durable and attractive. This 12" straightedge design has a four-way locking system. Its deep texture, rich color palette and seamless appearance will enhance curb appeal. Inquire about minimum-order quantity on other Classic as well as Elite colors.

#### AVAILABLE COLORS

### STEEL SHINGLE ACCENT SIDING

From its durable finish to its realistic woodgrain appearance, Klauer Steel Shingle Siding can add dramatic accents to porches, gables and other architectural elements without the typical cost and maintenance. Inquire about minimum-order quantity on other Classic as well as Elite colors.

#### AVAILABLE COLORS
