

NELSON WOOD SHIMS

12" Contractor Bundle of Shims

"Beddar Wood Shims™" are the newest innovation in shims, in which we have uniquely processed the wood in order to provide a shim that snaps, nails and performs better than pine or cedar.

Why it's Beddar™:

- Excellent snap
- Easy to cut
- Rot resistant
- Will not shrink
- Split resistant to nails and screws
- Clean and consistent quality
- Feathered tips
- No moldy shims
- No rotten, punky or wet wood
- 100% usable bundle of shims
- Made from fast growing trees with a reforestation program
- FSC Certified Wood
