

# STYLES & *ELEMENTS*

*Featuring Envision Composite Decking*

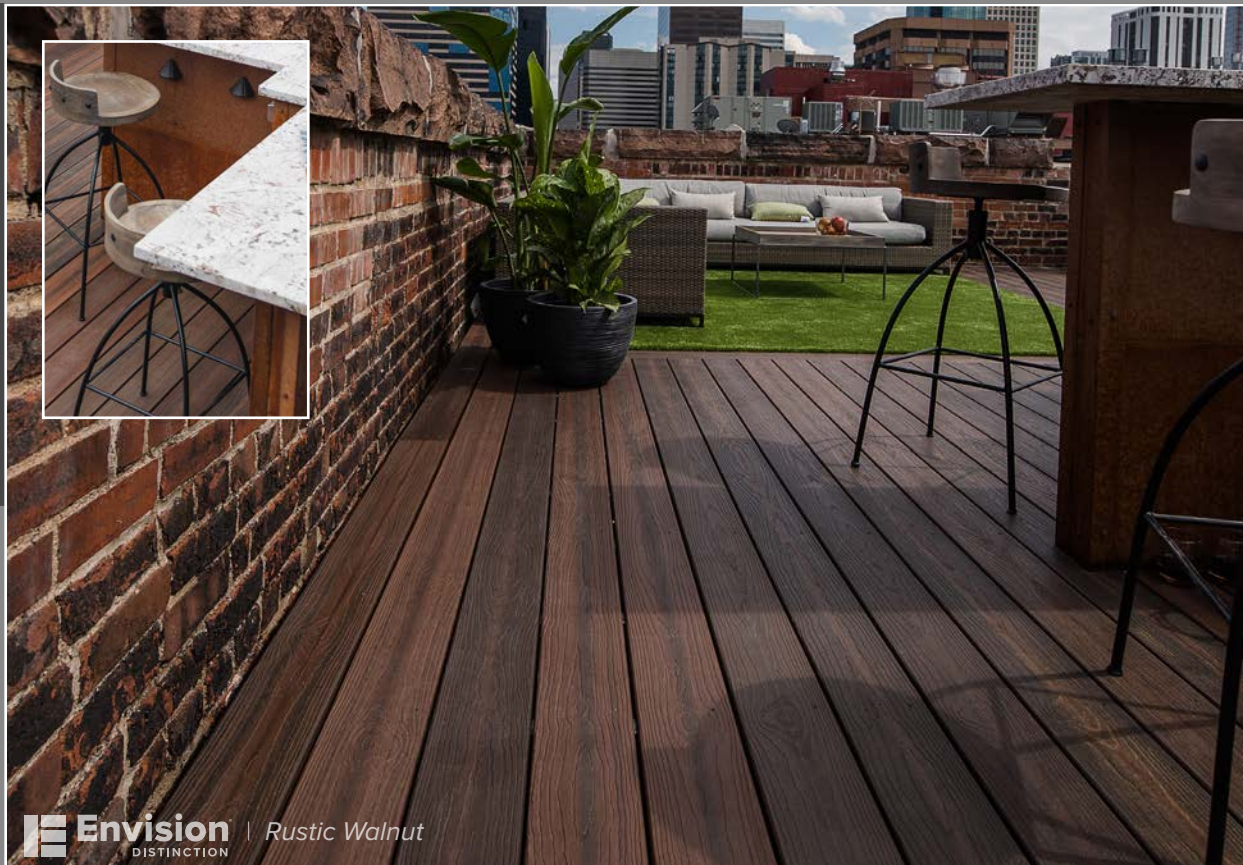

# CONTEMPORARY/ URBAN INDUSTRIAL

This design style involves clean, sleek lines and is marked by solid colors, predominantly muted neutrals with rare punches of bold color. An appreciation of simplistic elegance gives this design style a unique feel.

## CONTEMPORARY/ URBAN INDUSTRIAL

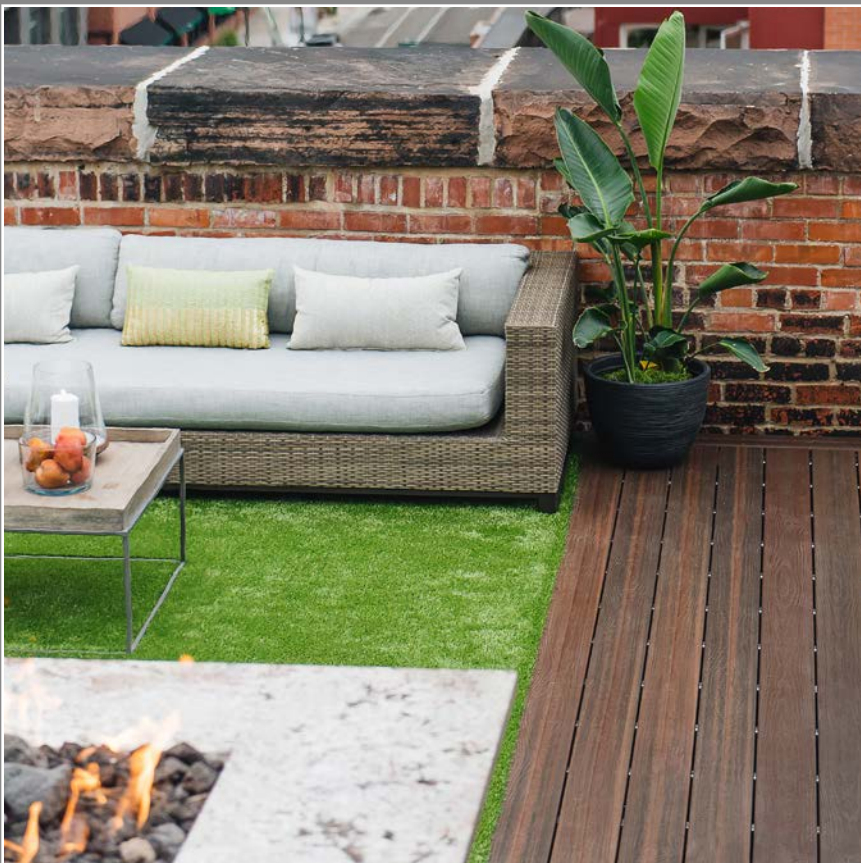

Much like furniture pieces, countertops are sleek in nature and have smooth edges. A bold contrast of color ensures they draw attention. A careful eye to incorporating lighting features such as the bar height fire pit and down lights under the counter provide ambiance to carry social gatherings into the night.

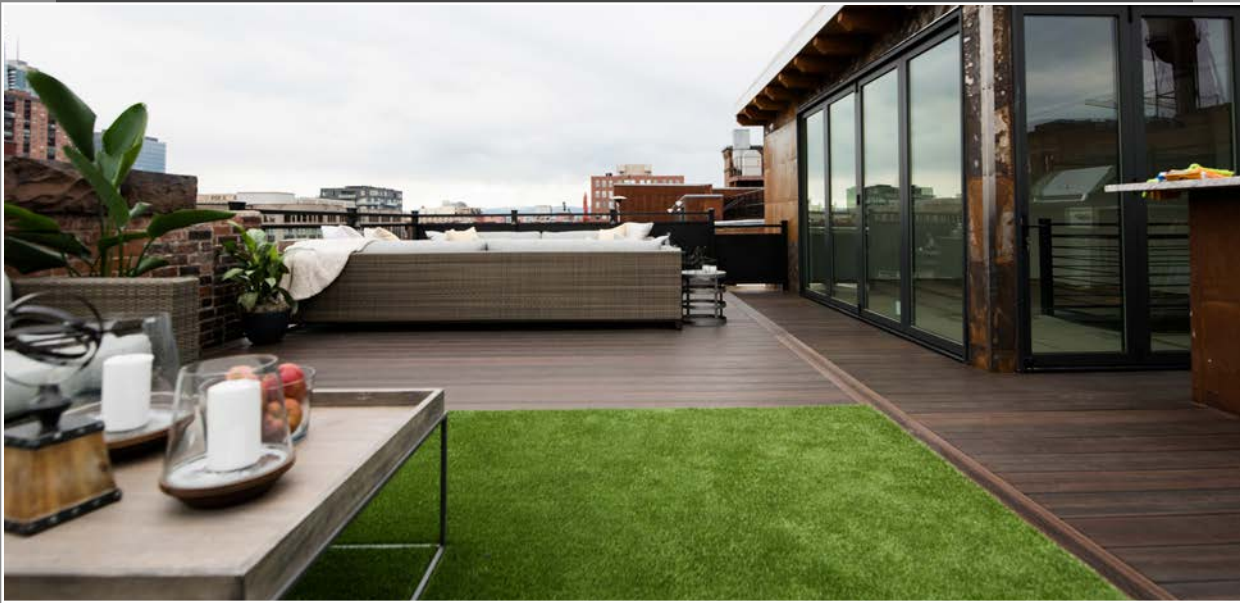

# CONTEMPORARY/ URBAN INDUSTRIAL

Accent décor tends to be functional in nature and is often fashioned from hard materials such as stone, wood, and metal. The low profile furniture is perfect for the surround of this urban rooftop deck.

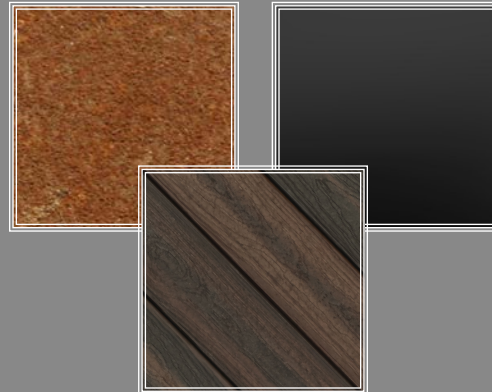

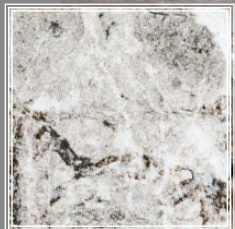

## CONTEMPORARY/ URBAN INDUSTRIAL

Furniture is low to the ground and often has metal frames or straight legs with an emphasis on basic shapes and streamlined forms. Metal elements with various finishes from matte black to acid washed add an industrial flair.

## CONTEMPORARY/ URBAN INDUSTRIAL

The dramatic color of dark wood is a perfect complement to Contemporary/Urban Industrial style. The bold highlights provide a dramatic effect without interfering with the simplicity of the design. The rich color of Envision Distinction Rustic Walnut accents the brick and stone surround while providing the optimal contrast for the light granite countertops.

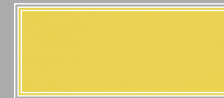

# MODERN

Modern style is minimalistic with a focus on materials. Modern style is characterized by a palette of neutral colors, polished surfaces and lines, and a presence of shapes with sharp edges. Materials present can include metal, glass and steel. Modern design is simplistic and often accompanied by sleek and low profile furniture.

# MODERNISTIC / AVANT GARDE

Modern design does not boast many accessories or clutter, but a minimalistic sense of decor and palette.

# COTTAGE/ BUNGALOW

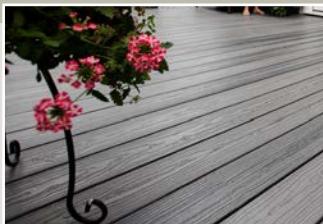

Cottage style can be described as quaint and homey. Cottage style evokes a light and airy feel as light color tones are used alongside wicker furniture to create a warm and welcoming style. Vintage fixtures and accessories are used to produce a charming cottage aesthetic.

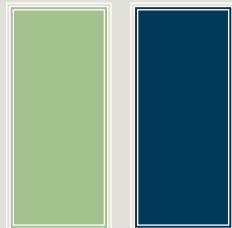

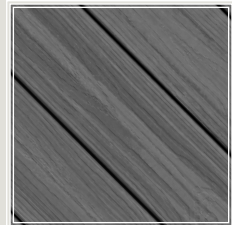

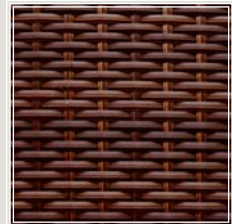

## COTTAGE/ BUNGALOW

Furnishings are relaxed and casual. Chairs and sofas can be dressed in pastels that reflect sky blues and sea greens. Woven rugs can sit underneath furniture to keep with the relaxed nature of the home. Envision Distinction Grey Wood gives the space character while easily complementing the light air of the cottage style.

# TROPICAL

Inspired by coastal characteristics and charm, Tropical is a look that boasts bright florals, rich palm leaves and greenery. Colorful upholstery is flaunted against crisp white furniture to create a fresh and summery look.

Grey Wood

# TUSCAN

Tuscan style evokes warm, earthy colors such as golden yellows, rusty oranges, deep purples and olive greens, such as those you would find on a hillside in Tuscany.

Windows are made so natural light can easily stream in and furniture derives characteristics from Mediterranean design with richly stained wood accents.

# TUSCAN

Ceilings typically feature exposed wooden beams. Envision Distinction Spiced Teak accompanies the exposed dark wood beams and natural stone walls to complete this Tuscan enclosed deck.

# ITALIAN

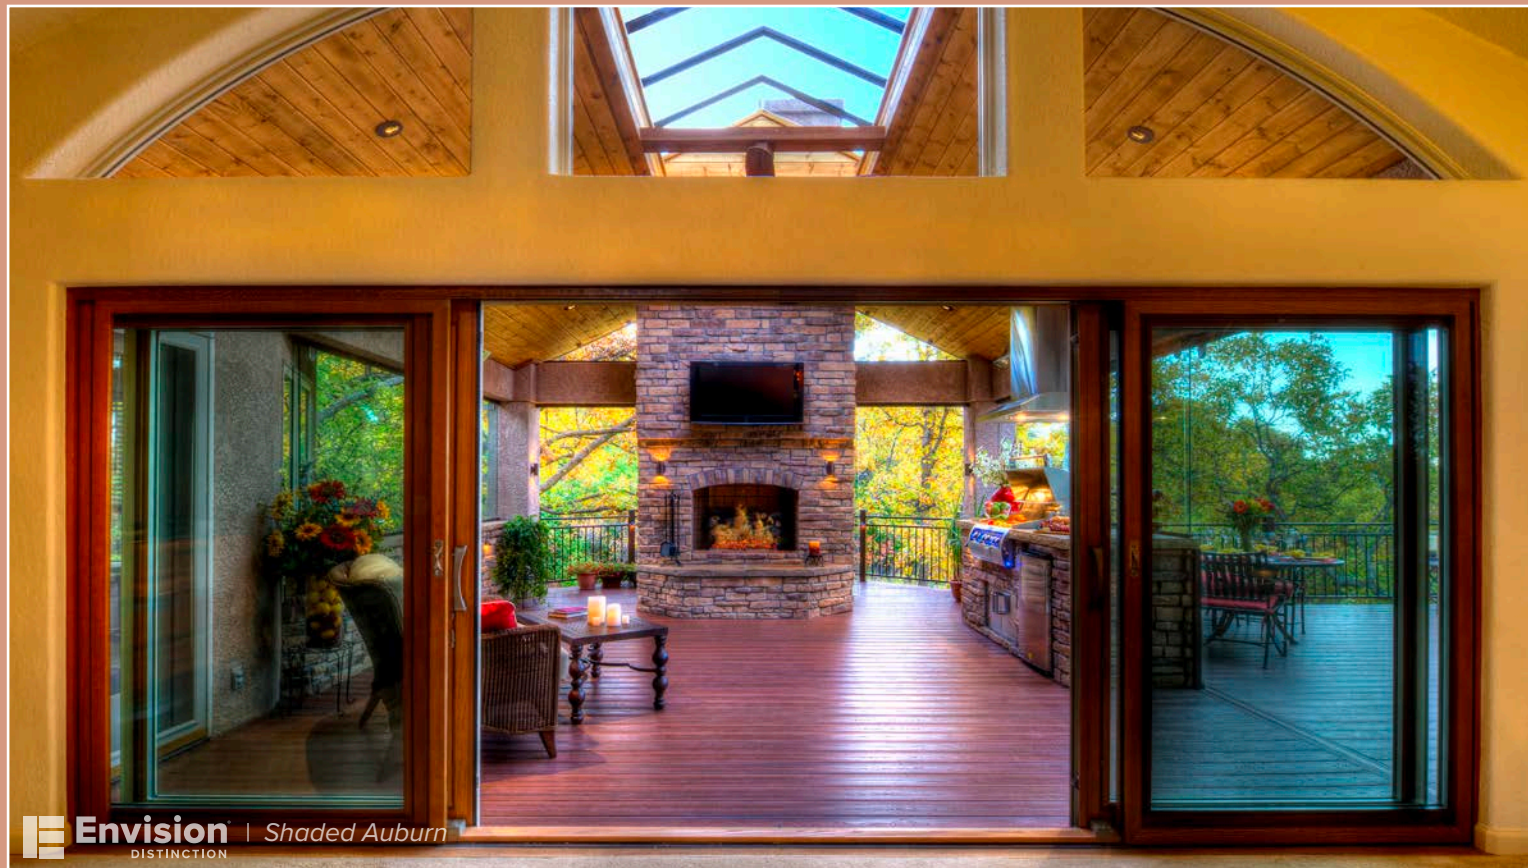

Natural hues of off-whites and beiges are present in Italian style. Splashes of Mediterranean tones such as vivid blues, rich greens, burnt oranges, and mild yellows also make an appearance to complement the space. Natural light is emphasized in the home in order to show off the wide-ranging color palette.

# ITALIAN

Italian style is characterized by natural appearance. Stone, slate, and granite are used throughout the interior on countertops and accent walls.

Envision Distinction Shaded Auburn complements the earthy tones and natural stone accents of this Italian design.

# TRANSITIONAL

Transitional style links modern and traditional elements. Transitional offers an eclectic appeal, while furniture often gets an update in appearance with defined lines and angles. Transitional is a very prevalent style because it takes characteristics from both traditional and modern design equally to create a unique space. There's a sense of balance to this style that's comforting - yet tasteful.

# NAUTICAL

Nautical décor is timeless as it incorporates the elements and senses of the ocean to transform the outdoor space. From blue and white striped textiles to simplistic furniture with natural finishes, a touch of nautical design provides a relaxed escape for any outdoor area.

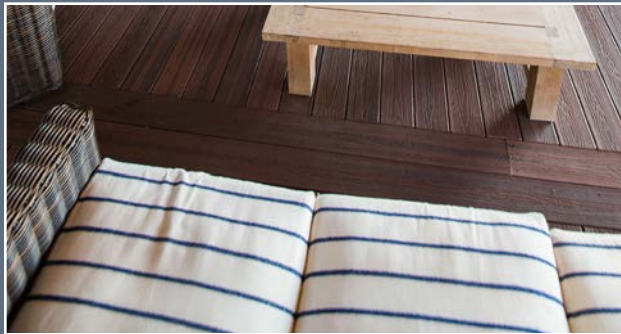

## NAUTICAL

Envision Distinction Shaded Auburn brings out the red and brown earth tones to bring a vibrant contrast to the striped fabric, furniture with natural finishes, and granite countertops.

# TRADITIONAL

Traditional can also be recognized as “classic” style. Traditional style incorporates the use of balance and symmetry through furniture and accessories to create a calm and comforting decor. Colored fabrics are used that boast simple florals, solids, stripes, or intricate patterns. Traditional design spaces often feature rich color palettes and an assortment of textures.

## TRADITIONAL

The traditional indoor décor was brought outside to the deck to unify the two spaces as an extension of the home. Envision Distinction Spiced Teak provides the look of exotic natural hardwoods to complement and transition from the hardwood floors of an indoor space.

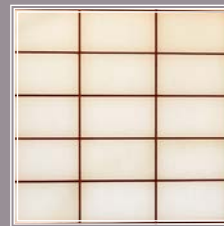

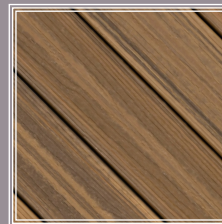

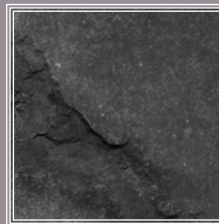

## ASIAN ZEN

Asian Zen incorporates natural fiber elements, bamboo and colors taken from nature to create a serene and calm environment. Furnishings often include statues of animals or mythical creatures that reflect the roots of this style originating in historic Asia. Furniture is kept natural and simple and features clean lines without excess detail. Asian Zen design focuses on serenity and relaxation.

# ASIAN ZEN

Zen homes are filled with earthy tones such as beige, gray, and off-white with an assortment of textures that can be used to bring character to the design space. Envision Distinction Spiced Teak adds natural dimension and aesthetic alongside cotton sofas and slate countertops.

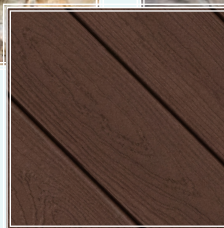

# COASTAL

Coastal style invites a light and breezy feel by way of airy fabrics with an emphasis on nautical accessories, such as lighthouses and seashells. Elements of wood are typically present with accessories inspired by the seaside.

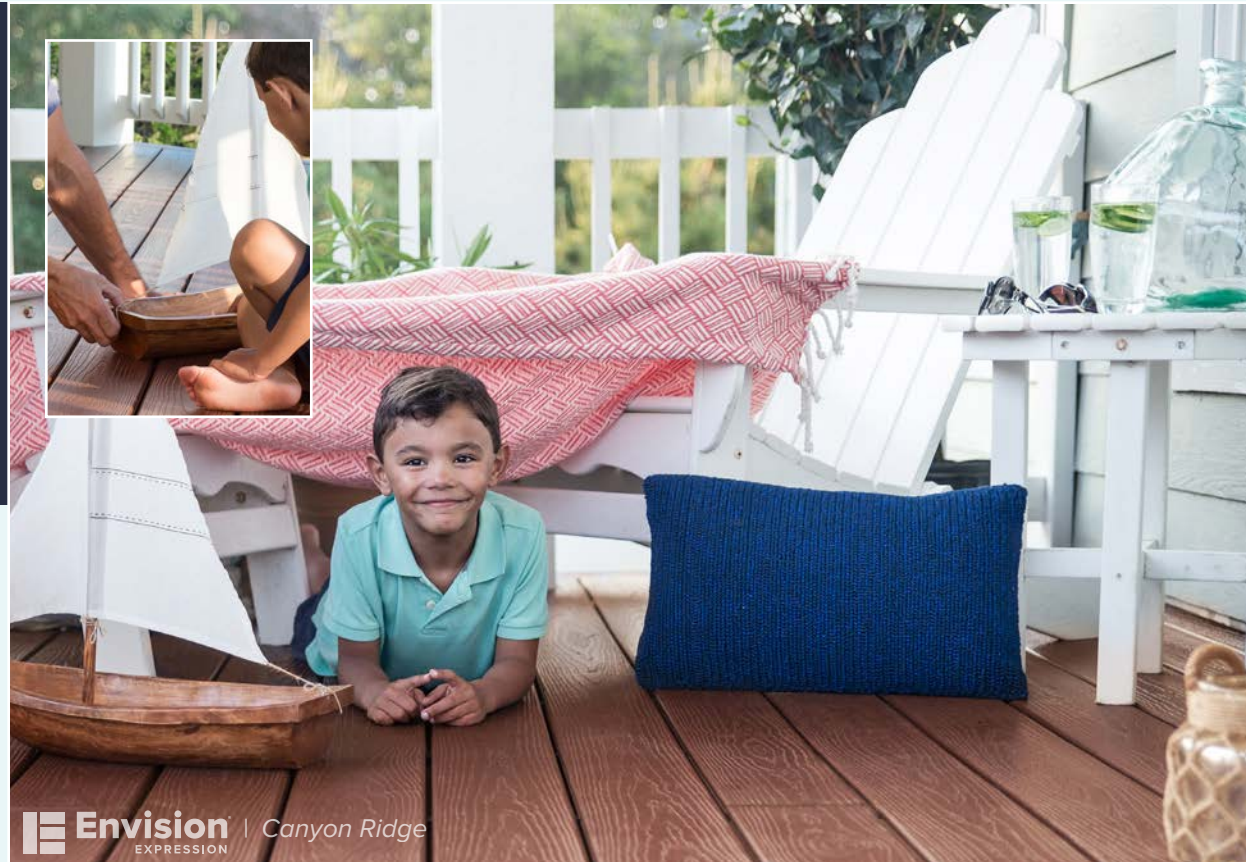

## COASTAL

Envision Expression Canyon Ridge brings a refreshing contrast to the classic palette of navy and white with gold accents that sets a coastal tone to the space. Furnishings are often white or beige to maintain consistency in style throughout the space.

# ECLECTIC

Eclectic borrows traits from several design styles and suggests a sense of imagination and surprise with surprising contrasts. Eclectic style relies heavily on color, pattern, texture, and structure to make the space look uniquely deliberate and consistent. Whether patterned, textured, solids, or all three – a multitude of fabrics adds character to an eclectic style.

## ECLECTIC

Furniture does not have to match and can be pulled from other design styles, while accessories can be accompanied by greenery and other outdoor plants in textured baskets and pots throughout the space. Envision Inspiration Weathered Wicker adds a subtle inviting reclaimed appeal to the space to further evoke a unique and eclectic design space.

# SANTA FE/WESTERN

Rugged reclaimed woods, distressed finishes, cozy plaids, and other inviting fabrics are consistent with the Santa Fe/Western style. Worn leathers mixed with hammered copper and other natural elements also play on characteristics of this design style. Furniture is usually large in scale and made of wood.

 **Envision** | Tangled Twine  
INSPIRATION

## SANTA FE/ WESTERN

Santa Fe/Western style includes earth tones such as burnt orange, cactus green, beige, and dark browns that add Southwestern personality. Envision Inspiration Tangled Twine captures the essence of Santa Fe Western as it emulates barnwood flooring with a subtle blend of blonde hues.

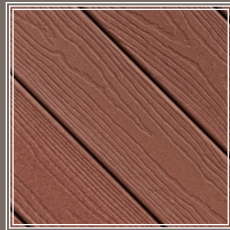

# RUSTIC

Rustic design is inspired by nature, as it incorporates raw and often unfinished elements including wood and stone. Rustic design can include accessories from the outdoors with features such as ceilings adorned with exposed wood beams or furniture and railing made of cedar or wood logs.

**Envision** | Redwood  
EverGrain

## RUSTIC

EverGrain Redwood completes the Rustic design by adding a naturistic tone to the space while creating a pleasant contrast to the natural finish of the wooden elements.
