Siding | Trim

It's time to build something timeless.

Installed on 5.5 million homes from coast to coast, James Hardie® products are built to withstand the most extreme elements in all climates. Enjoy the warm, natural character of wood with unprecedented peace of mind. It's easy to see what makes James Hardie the market leader.

Unique Formulation

Only James Hardie® HZ5® products are specifically engineered for harsh northern climates. During manufacturing, proven and refined raw materials are chemically bonded with proprietary additives to enhance moisture resistance and increase product strength.

Finishing Technology

Revolutionary ColorPlus® Technology provides the ultimate in aesthetics and performance. Innovative color process applies a consistent, baked-on finish that provides years of lasting beauty and fade resistance.

Complete Exterior

Diversified products defined by durability, lower maintenance, superior aesthetics and an array of design options. Providing homeowners peace of mind with exceptional warranties through a single manufacturer.

Give homes
a beautiful,
consistent coating
that performs better,
lasts longer and
looks brighter.

Our advanced ColorPlus Technology finishes deliver the ultimate in aesthetics and performance. Our products aren't simply painted at the factory. Multiple coats of color are baked onto the board, creating a vibrant, consistent finish for years of lasting character, adhesion and fade resistance.

Colors shown are as accurate as printing methods will permit. Please see actual product sample for true color.

Finishing touches

ColorPlus Technology Accessories

TOUCH-UP KITS

Specially formulated to match ColorPlus Technology finishes, our Touch-up Kits offer resistance to aging, color change and chalking. Included in the kits, Touch-up Pens conceal nailheads and very small nicks and scratches.

COLOR MATCHED CAULK

OSI® QUAD® MAX sealant offers a durable, lower maintenance sealant solution to color match James Hardie's ColorPlus products.

Accessories

FLAT TABS

Reduce nail holes and improve the aesthetic of trim applications around windows, doors and band boards.

CORNER TABS

Use corner tabs to reduce the appearance of nail holes that would detract from the finished look of corner trim installations.

HARDIEWRAP® WEATHER BARRIER

Moisture management starts with the wrap. Our weather barrier, flex flashing, seam tape and pro flashing deliver the performance that you've come to expect from James Hardie.

Visit hardieinstallation.com for the latest installation instructions and useful job-site tips in our industry-leading Best Practice Guide.
