THE HIDDEN VENT SOFFIT SYSTEM
WITH BEAUTY & BRAINS

 **Rollex**
ALWAYS ON THE JOB

A Perfect Combination of Ventilation and Design

Now you can experience the ideal marriage of form and function in a discretely vented soffit that retains its beauty for decades. The Stealth Soffit system from Rollex employs an intelligent design to produce a smooth surface, free of visible venting. Beneath its handsome exterior, its dynamic hidden ventilation solution promotes continuous airflow to keep attics cool and dry.

Stealth Soffit

- Prevents premature aging of roof systems
- Provides optimum air-flow
- Saves time—never needs painting
- Guaranteed not to crack, fade or peel
- Long, lasting quality maintains beauty for decades
- Environmentally responsible

Hidden vents deliver total net free air of 8 square inches per lineal foot allowing healthy exchange of air. Continuous air circulation keeps dangerous hot air out of attics in summer and prevents moisture that causes mold, mildew and ice damage.

Depend on Rollex for superior craftsmanship, quality construction and exceptional beauty.

Guaranteed with a Lifetime,
Limited “No-Nonsense” Warranty.

Designed for Trouble-Free Installation

Stealth Soffit is strategically designed to deliver superior longevity. Positive interlocking panels work in conjunction with specially developed “I-Beam” construction to produce extraordinary strength, provide secure installation and deliver a clean a look.

Our advanced design ensures quality that is second to none, improving not only a home’s appearance, but also the property value.

- Easy to handle panels
- Smooth interlocking panels
- Deep channels for perfect, secure installation

Unsurpassed Design with Low Maintenance

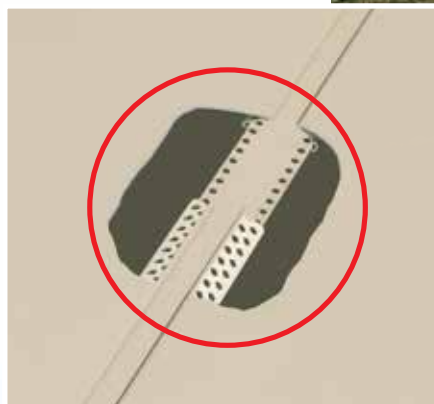

Designed with the understanding that every detail of a home’s exterior should enhance both the appearance and value of a home, Rollex engineers built enduring quality into Stealth Soffit panels. Its exceptional beauty and durability are guaranteed to bring lasting enjoyment from one generation to the next.

Stealth Soffit requires very little upkeep to maintain its beautiful finish year after year.

Stealth Soffit panels provides the clean look of solid panels with the visual advantage of hidden vents and improved air flow

8 sq. in per lineal foot net free air

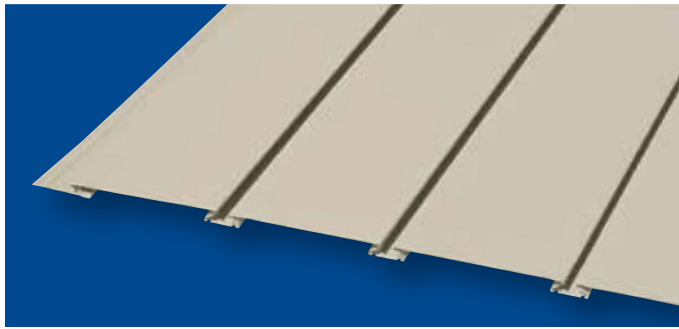

- Never needs painting
- Simply rinse clean with a garden hose

Array of Colors to Complement Every Home

Enjoy the endless design possibilities with our extensive color selection. Our perfectly matched color system between soffit, accessories, rainware and siding is suitable for all home types.

Our exceptional painting system ensures consistency of color, so you know the color you order is exactly what you'll get. Plus, no matter which rich shade is chosen, our soffit and fascia stays true and looking new, with virtually no maintenance.
