FERCHE MILLWORK

A trusted name for 60 years, Ferche Millwork manufactures the finest hardwood mouldings and veneered millwork. Ferche has built an international reputation as the premier wood door frame supplier to the industry. From wrapped jambs to solid wood jambs to Ferche's innovative Fire-rated Wood Door Frames product line (with ratings up to 90 minutes), Ferche is the only source you need for door frames. If you're looking for the best quality hardwood mouldings, top-notch veneered millwork, a custom profile or a special species, Ferche Millwork is a solid choice.

Metrie is a small family-owned business established in 1926. Their dedication to creating high-quality, finely crafted architectural elements has helped them grow to become the largest supplier and manufacturer of solid wood and composite mouldings in North America. Through their seven domestic manufacturing facilities, 26 distribution centers and global supply network, Metrie offers everything you need to set the stage for your space and your project's success.
